THE RECTORY HOTEL PHOTOGRAPHY WORKSHOPS

Understanding your Camera: Photography Workshop

We have a number of workshops scheduled in 2010, the first of which will be 'Understanding your camera' on Tuesday, 25 May 2010.

This jargon-free beginners session will help you understand your digital or film SLR camera and will give you the confidence to move the camera off its auto settings to take control and capture beautiful pictures. A wedding & portrait photographer by profession, Andrew will explain how various camera settings influence the final picture. By the end of the session, you will have been introduced to all the elements necessary to capture great images.

This is a creative, hands on session, with time spent taking pictures under Andrew's guidance, so please bring your SLR film or digital camera with you, along with any camera lenses that you regularly use.

There will be plenty of time to ask Andrew questions over lunch and a glass of wine, which is included in the day.

The price for the workshop is £85 per person. Accommodation is available at The Rectory if required – please ask for details and special discounted rates. If you have any questions or require any further information about the course, please contact Jenna on 01666 577 194 or events@therectoryhotel.com.

TERMS AND CONDITIONS:

The price includes a workshop between 10am and 3pm, including a two course lunch and one glass of wine per person. A 25% deposit is payable upon booking and becomes non-refundable two weeks before the workshop date.
